## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Newberry Elementary School is located in the city of Newberry. Our total enrollment of 420 students during the 2008-2009 school year consisted of 64% African American, 21% Caucasian, 15% Hispanic students; of these students, 91% qualified for the free or reduced lunch program.

Newberry Elementary School is in its sixth year of being a South Carolina Reading First School. Teachers are implementing a variety of scientifically based reading research strategies that support best practices in reading instruction. They are actively engaged in professional studies, on-going collaboration, and sharing strategies that work within the classroom. Teachers continue to broaden their knowledge base as they attend conferences, workshops, seminars, and conduct peer observations.

For the 2008-2009 school year, Newberry Elementary was able to employ a full time Parenting Coordinator. With the implementation of this position, the school experienced a vast amount of increased parental involvement. The Parenting Coordinator provided and arranged parenting workshops, literacy programs, and solicited volunteers from the community to assist in a variety of areas that provided support to the students and teachers.

Data collected from MAP, DOMINIE, and Stanford will be used to guide our instruction to meet the needs of all students. We have placed a heavy focus on small group instruction. We have made great strides and our students are the beneficiaries, but there is always room for growth.
